# Blogs & Features

## Blatchford: Monkey 1, Canada 0

The little primate is still on the national back after the first full day of competition at the 2010 Winter Olympics.

## Grange's Blog: The script is always changing

Canada was supposed to win an historic gold medal Saturday, but endings are waiting to be written anew at the Games

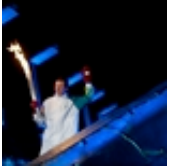

## Gary Mason: A false start

Come on Mother Nature, help lift the gloom off these Games

## Ian Brown: The idea of Canada, on display

Friday's opening ceremony showed the world the many things that define us, some literal, some symbolic, all true.

## Brunt: The Gretzky myth still burns bright

He may not have been the universal choice to light Vancouver's Olympic cauldron, but once again, and for always, the Great One defines a histori...

## Tragedy casts a long shadow over Games

When Georgian luger Nodar Kumaritashvili lost control of his sled during training in a tragic fatal crash, it was nothing less than a nightmare ...

## it's your call!
